

F Series-FSO

Cabinet Size 480X 640 mm

Product Features:

1. Outdoor, easy installation with a slim and lightweight cabinet design.
2. Convenient maintenance, supporting front or rear maintenance options, with a high IP67 protection rating.
3. Good heat dissipation, no need for air conditioning.
4. Highly integrated design, improving product stability by 60%. The all-aluminum body incorporates advanced heat dissipation technology for efficient cooling.

Product Advantages:

The product eliminates the bulkiness and clumsiness of traditional outdoor products, offering improved heat dissipation performance.

Applications:

Widely used for exteriors of tall buildings, transportation platforms, advertising marketing, and so on.
